- Matches July 17, 2024 text: "you don't respect me" - exact same phrase
- Demonstrates premeditated pattern, not isolated incidents

### **2. False Legal Claims Pattern**

- Reality: No custody order exists; father on birth certificate has legal standing

### **3. Using Child as Weapon**

- Name change threats to erase father's connection
- Withholding access for personal grievances
- Video 4: Explicit alienation "I don't want Tien to be like you"
- No consideration of child's need for both parents
- Child's emotional wellbeing ignored during conflicts

### **4. Financial Extortion Context**

- Despite \$3,600+ in voluntary support, mother withholds child

- Uses child access as leverage for money and "respect"

### **5. Medical Information Withholding**

- Major medical milestone not communicated
- Pattern of excluding father from healthcare decisions
- Violates basic co-parenting communication standards

## **LEGAL IMPACT SUMMARY**

- Video 3 documents 3-week withholding period
- Mother demands additional "month or two" of no contact
- Physical violence threatened during exchange
- Child welfare concerns with hostile environment
